

UNIVERSITÀ DEGLI STUDI DI NAPOLI "FEDERICO II"

DIPARTIMENTO DI SCIENZE MEDICHE TRASLAZIONALI

Dottorato di Ricerca in Medicina Clinica e Sperimentale

Coordinatore: Prof. Francesco Beguinot

Selection for the Ph.D. Program in Clinical and Experimental Medicine- 39th cycle

Step by Step Procedure

Web page dedicated: https://www.medicinatrazionaleunina.it/archivio_ciclo39.aspx

Step 1: Candidates must prepare the research project and the documentation for the selection according to the "*Instructions for the preparation and submission of the Documentation and the Research Project*" which will be published in the next few days on the web page dedicated to the selection. It should be noted that it is mandatory that the documentation and the research project are included in the online application as described in the call for application. Other methods of submission of Documentation and/or research project cannot be evaluated and will not be taken into consideration.

Step 2: The application to participate in the selection, complete of all the documentation required by the call for application must be submitted no later than 3:00 p.m. (Italian local time, UCT/GMT+2) of August 2, 2023 exclusively by electronic procedure available at: <https://pica.cineca.it/unina>.

Step 3: The oral exam will take place exclusively remotely in telematic mode. Candidates can view the "*Instructions for the telematic sessions of the oral exams*" which will be published in the next few days on the web page dedicated to the selection. By the start date of the online sessions of the oral tests (see step 4), candidates must have all the necessary equipment to participate in the online sessions as indicated in the Instructions.

Step 4: On **September 8, 2023 within 2:00 p.m.** (Italian local time, UCT/GMT+2), will be published on the web page dedicated to the competition:

- a) the results of the assessment of the qualifications.
- b) the results of the research project evaluation.
- c) the list of candidates admitted to the oral exam.
- d) the calendar of the online sessions of the oral exam.
- e) details relating to the online sessions of the oral exam (identification of the online sessions and access credentials).

Commentato [NP1]: Qui grasse risate... nel bando in inglese hanno messo il link pica ma sulla pagina per studenti stranieri hanno messo il link a <https://www.concorsi.unina.it/dottrici/>

UNIVERSITÀ DEGLI STUDI DI NAPOLI “FEDERICO II”

DIPARTIMENTO DI SCIENZE MEDICHE TRASLAZIONALI

Dottorato di Ricerca in Medicina Clinica e Sperimentale

Coordinatore: Prof. Francesco Beguinot

Please Note: The oral exam will be held in several online sessions in which 10-20 participants will be evaluated for each session. The sessions will begin on September 11, 2023, and will continue, if necessary, until September 15, 2023. The calendar of the online sessions will be established once the number of candidates and their names are announced. The results of the online sessions will be published on the web page dedicated to the selection on the University web page.
