---

Dr Raimondi is currently Professor of Pediatrics and Chief of Neonatology at the University of Naples (Italy) where he obtained his MD and PhD degrees.

He received his basic science research training at the University of Birmingham (UK) and at the University of Chicago. He has been a Pediatric Resident and later a Neonatology Fellow at the University of Maryland at Baltimore. He currently is the Medical Director of the Division of Neonatology with a 27 beds, level III Neonatal Intensive Care Unit; Coordinator of a Neonatal Regional Transport Team; Chief of the Perinatal Infections Unit.

His research interests in Neonatology include infection, hyperbilirubinemia, nutrition and the functional applications of lung ultrasound in neonatal respiratory medicine. He is authors of over 280 publications in peer-reviewed journals and chapters in national and international textbooks. He serves as a reviewer for numerous scientific journals.

Dr Raimondi is Chairman of the charity “Soccorso Rosa Azzurro” for the advancement of Neonatology and sits on the Board of Directors of the Italian Society of Neonatology .
